Download World Cricket Championship APK for Android now to make the sport life right in front of your eyes and enjoy intense games of cricket on your mobile phone. The Cricket World Cup (WCC) series on Android and iOS has set the standard for what the mobile cricket game should achieve. With CGI, which is heavily used in game making, the end result is a sports game that looks more realistic than most – and could easily pass like a console game. On top of this, expert commentary from Australia's legendary Matthew Hayden in English and Indian Aakash Chopra in Hindi, you can enjoy the game as if it's the right thing to do. WCC3 APK is a cricket game that fans have more than any other currently. The best cricket game for Android Following the success of WCC2, fans have been waiting for the next installment of the series. Now you can get exclusive early access to the game for free. For the first time you will be able to play in all new stadiums that have different dimensions and thus further increase the complexity and depth of the game. Play in all the roles you will get the experience of being a manager, coach, captain, and player in this all around epic cricket games. Test your skills in each role and get a comprehensive understanding of the challenges presented to each person in the cricket hierarchy. Each person has its own role to play, take the challenge and do everything to your best in each field. A new multiplayer campaign challenge your friends to prove that you have salt to compete in the big leagues. As with all sports games, the biggest challenge is to play against other people online. You can really prove here that you have everything you need to get your opponents together. The advanced AI AI in the game has been greatly improved since WCC2, which means that the challenge is now stronger than ever and you will have to really push yourself to overcome new obstacles on your way. Build your team As a team leader you will be able to build your dream team and use cards to upgrade players to improve the abilities of your players in 18 unique areas. This allows you to create batsmen that can specialise in slogging, pinch-hitting, and fast singles, as well as SUVs that can run with stunning speed and throw with incredible accuracy. Intuitive controls to blow the World Cricket Championship 3 APK now allows you to bat with super new controls including lightning, leg work and more. You will need to balance the power with accuracy and you will be able to take advantage of the new diving, base and defend mechanics to further develop your gaming style. Epic new bowling As well as introducing new batting techniques, you will also be able to take full advantage of new bowling controls that allow you to add spin, swing, pace, and pitch shots to your bowling. Even fielding has been made more intuitive and exciting than ever, with coordination between bowling and pitch reaching new depths. Rise in the ranks You will have plenty of opportunities to put your skills to the test and show what you have with different modes of play, including the Champions League, where you get to face other players online and climb to international and regional rankings. The top spot is an honour and you will find the competition exceptional. Do you have anything that's necessary? Download Cricket World Championship 3 APK for Android Ready to put your skills to the test and take on other players from around the world? Download Cricket World Championship 3 APK now to get early access to the most anticipated cricket game in the world. Play.
